

FACT or FICTION?

Fillers are
extremely expensive.

1/4

FICTION

Many patients are
satisfied with their
Injectable Hyaluronic
Acid (HA) Filler results
and find that they're
worth it.

2/4

Injectable HA Fillers
treatments usually take less
than an hour and results last
a year or more-

all for less than
\$750, or about
*\$2 per day.**

*Based on 2025 ASPS data.
Not inclusive of injector fees.
