SkinMedica® Important Information

Most SkinMedica® products are intended to meet the FDA's definition of a cosmetic product, an article applied to the human body to cleanse, beautify, promote attractiveness, and alter appearances. These SkinMedica® products are not intended to be drug products that diagnose, treat, cure, or prevent any disease or condition. These products have not been approved by the FDA, and the statements here have not been evaluated by the FDA.

SkinMedica® Acne Clarifying Treatment is an over-the-counter drug product which is formulated and marketed pursuant to the FDA's governing regulations set forth at 21 CFR Part 333 Subpart D.
