Caution: Do not use Even & Correct Dark Spot Cream if you are pregnant, lactating, or planning to become pregnant.

Sunburn alert: Even & Correct Brightening Treatment Pads and Even & Correct Dark Spot Cream contain an alpha-hydroxy acid (AHA) that may increase your skin's sensitivity to sunburn. Use a sunscreen and limit sun exposure while using these products and for a week following discontinuation.

Use a sunscreen with an SPF of 30 or higher during any sun exposure when using Even & Correct Advanced Brightening Treatment.

Most SkinMedica® products described here are intended to meet the FDA's definition of a cosmetic product, an article applied to the human body to cleanse, beautify, promote attractiveness, and alter appearances. These SkinMedica® products are not intended to be drug products that diagnose, treat, cure, or prevent any disease or condition. These products have not been approved by the FDA, and the statements here have not been evaluated by the FDA.
