

SKINMEDICA®

Dive into *new depths of hydration*

BOTOX® Cosmetic Indications and Important Safety Information

BOTOX® Cosmetic (onabotulinumtoxinA) is a prescription medicine that is injected into muscles and used to temporarily improve the look of moderate to severe forehead lines, crow's feet, frown lines, and vertical bands connecting the neck and jaw in adults (platysma bands).

Talk to your doctor about BOTOX® Cosmetic and whether it's right for you. There are risks with this product—the effects of BOTOX® Cosmetic may spread hours to weeks after injection causing serious symptoms. Alert your doctor right away as difficulty swallowing, speaking, breathing, eye problems or muscle weakness can be a sign of a life-threatening condition. If this happens, do not drive a car, operate machinery, or do other dangerous activities. Patients with these conditions before injection are at the highest risk. Swallowing problems may last for several months. Side effects may include allergic reactions, neck and injection-site pain, fatigue and headache. Don't receive BOTOX® Cosmetic if there's a skin infection. Tell your doctor your medical history, muscle or nerve conditions, and medications, including botulinum toxins, as these may increase the risk of serious side effects.

Scan to see BOTOX® Cosmetic Medication Guide, including Boxed Warning.

3 *unique* products to optimize results

This first-of-its-kind skincare collection goes beyond superficial hydration for visibly dewy, refreshed, younger-looking skin. It penetrates deeper to restore and replenish hydration for a more resilient skin barrier.

A hydration anchor

The best-selling **HA⁵® Hydra Collagen Hydrator with Vegan Collagen** goes deeper, reaching the Dermal-Epidermal Junction (DEJ) for immediate and long-lasting hydration for visibly plump, dewy, healthier-looking skin.¹

A bursting wave

The **HA⁵® Hydra Collagen Water Burst Moisturizer with Vegan Collagen** provides wave after wave of hydration to lock in moisture for visibly bouncy, dewy skin.

A cleansing cloud

The **HA⁵® Hydra Collagen Hydrating Foaming Cleanser with Vegan Collagen** is the first step to deeper hydration for cloud-soft, clean skin that sparkles.

Hydration: the key to healthy-looking skin

Did you know?

- Dry or dehydrated skin can make your skin look dull and tired, and your wrinkles more noticeable²
- Collagen declines rapidly after the mid-30s, impacting skin hydration and suppleness³
- Maintaining a strong skin barrier and targeting hydration-boosting collagens within the skin can help your skin stay hydrated and healthy looking^{4,5}

PRO TIP

Although hydrators and moisturizers are often used interchangeably, the two products are actually *designed to work together*. Use the hydrator to replenish hyaluronic acid (HA) from deeper within the skin's surface and the moisturizer to seal in the hydration at the skin's surface.

Hydrators

work deeper within the skin's surface to replenish HA and support the skin's natural ability to hydrate

Moisturizers

provide external hydration to seal the moisture into the skin and prevent water loss or evaporation at the surface level

100%

of patients agreed that the **HA⁵® Hydra Collagen Collection** is the best regimen they have used for hydration after 4 weeks of use (n = 10)¹

HA⁵ Hydra Collagen Hydrator with Vegan Collagen

Dive into *deeper* hydration

Our most *powerful*
and *revolutionary*
hydration formula

HA⁵ Hydra Collagen Hydrator with Vegan Collagen is clinically proven to **improve hydration and support skin health** by addressing skin barrier resilience and improving the skin's water-holding capacity. Its skin nourishing ingredients and dimensional texture take an immersive approach to hydration by going deeper within the skin's surface.

Provides immediate and long-lasting hydration for **up to 48 hours**—like a drink of water for your skin. Enjoy visibly plump, dewy, and healthier-looking skin with fewer lines.¹

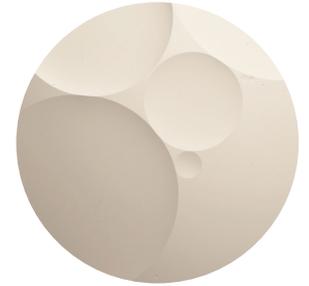

SILICONE-FREE • FOR ALL SKIN TYPES • NONCOMEDOGENIC • SULFATE-FREE
LIGHTWEIGHT • FRAGRANCE-FREE • PARABEN-FREE • PILLING-FREE

Quench your skin with hydration innovation

HA⁵ Hydra Collagen Complex

This next-generation complex provides instant hydration with 5 forms of hyaluronic acid (HA) and vegan Hydra Collagen to help attract and retain water for instant hydration and smoothness

Advanced VITISENSCE[®] Technology

We supercharged our previous formulation to target existing HAs and collagens within the skin to improve hydration naturally and support your skin's water retention for reservoirs of hydration

~3 years younger

Patients reported that they looked
~3 years younger by week 12 (n = 23)¹

SKINMEDICA[®]

HA[®] Hydra Collagen Hydrator with Vegan Collagen

Glowing results are in

The peak of hydration

97%

experienced **improved skin quality** at 12 weeks (n = 29)¹

93%

felt **confident about their skin** at 12 weeks (n = 29)¹

86%

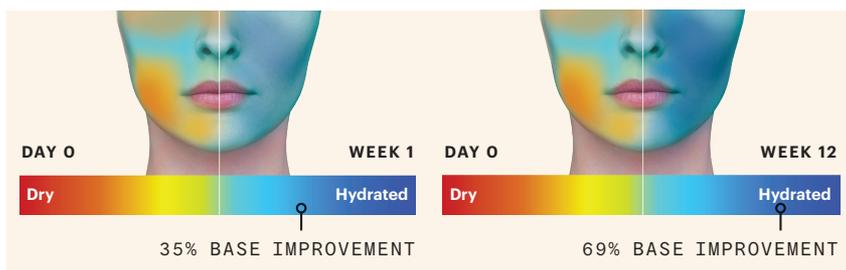

improvement in overall dry skin score immediately after application (n = 30)¹

90%

said their skin **looked dewy and healthy** at 12 weeks (n = 29)¹

Improved hydration over time¹

Results at week 1 (n = 30), week 4 (n = 30), and week 12 (n = 29) after twice-daily use of HA[®] Hydra Collagen Hydrator with Vegan Collagen. Individual results may vary.

HA⁵ Hydra Collagen Water Burst Moisturizer
with Vegan Collagen

Lock in deeper hydration

The HA⁵ Hydra Collagen Water Burst Moisturizer with Vegan Collagen **supports a healthy skin barrier and microbiome** by locking in moisture at the skin's surface and promotes a balanced skin ecosystem. Use daily for a refreshing burst feel that wakens the senses, and gives visibly dewy, bouncy, soft skin.

One application,
immediate results

100%

of people agreed that the moisturizer
after 1 application^{1*}:

- Made their skin **feel moisturized and soft**
- Made their skin **look dewy**
- **Improved the texture** of their skin

25%
boost

in **skin's hydration** after
just 1 application^{1*}

89%

improvement in **overall dry skin**
after just 1 application^{1*}

*All-day hydration that
lasts up to 24 hours¹*

DiamondGlow® Important Information

Uses

The DiamondGlow® device is a general dermabrasion device that gently removes the top layer of skin and delivers topical cosmetic serums onto the skin.

DiamondGlow® Important Safety Information

The DiamondGlow® treatment is not for everyone. You should not have a DiamondGlow® treatment if you have compromised skin quality. Tell your provider if you are pregnant or lactating, or if you have any medical conditions, including allergies, and if you are using topical medications on the area to be treated.

Typical side effects include a scratchy, stinging sensation during the treatment and temporary tightness, redness or slight swelling after the treatment. Rare serious side effects may also occur and include severe skin irritation and allergic reactions.

SkinMedica® Pro-Infusion Serums Disclaimer

SkinMedica® Pro-Infusion Serums are intended to meet the FDA's definition of a cosmetic product, an article applied to the human body to cleanse, beautify, promote attractiveness, and alter appearances. These products are not intended to be drugs that diagnose, treat, cure, or prevent any disease or condition. These products have not been approved by the FDA and the statements have not been evaluated by the FDA.

Please talk to your provider for additional information.

SkinMedica® Important Information

Use a sunscreen with an SPF of 30 or higher during any sun exposure when using Even & Correct Advanced Brightening Treatment.

Most SkinMedica® products are intended to meet the FDA's definition of a cosmetic product, an article applied to the human body to cleanse, beautify, promote attractiveness, and alter appearances. These SkinMedica® products are not intended to be drug products that diagnose, treat, cure, or prevent any disease or condition. These products have not been approved by the FDA, and the statements here have not been evaluated by the FDA.

SkinMedica® Essential Defense Mineral Shield™ Broad Spectrum SPF 35 Sunscreen is an over-the-counter drug product which is formulated and marketed pursuant to the FDA's governing regulations set forth at 21 CFR Part 352.
