1. SkinMedica® HA5® Cleanser How-To Use Model Video

CAPTION:

Its easy to elevate your cleanse with the NEW @SkinMedica HA5® Hydra Collagen Hydrating Foaming Cleanser.

This richly sensorial foam is designed to gently remove makeup and impurities with a splash of hydration, leaving skin clean and cloud-soft. The PH-balanced formula cleanses without stripping to minimize irritation—from pump, to lather, to rinse.

Elevate the foundation of your skincare routine with the latest from SkinMedica®. Visit our office to purchase or ask your provider about how it fits into your SkinMedica® Method during your next visit.

2. SkinMedica® HA5® Model Application Video

CAPTION:

Matchless moisture starts with @SkinMedica.

The NEW HA5® Hydra Collagen Hydrating Foaming Cleanser from SkinMedica® is suitable for all skin types, designed to protect the skin barrier while gently cleansing and deeply nourishing. The rich texture sparkles on contact, delivering clean, cloud-soft results. This gentle formula is safe for use post-procedure, supporting your treatment regimen from start to finish.

Discover the cloud-soft water cycle from SkinMedica® during your next visit.
