

SKINMEDICA®

Rejuvenation *in every drop*

BOTOX® Cosmetic Indications and Important Safety Information

BOTOX® Cosmetic (onabotulinumtoxinA) is a prescription medicine that is injected into muscles and used to temporarily improve the look of moderate to severe forehead lines, crow's feet, frown lines, and vertical bands connecting the neck and jaw in adults (platysma bands).

Talk to your doctor about BOTOX® Cosmetic and whether it's right for you. There are risks with this product—the effects of BOTOX® Cosmetic may spread hours to weeks after injection causing serious symptoms. Alert your doctor right away as difficulty swallowing, speaking, breathing, eye problems or muscle weakness can be a sign of a life-threatening condition. If this happens, do not drive a car, operate machinery, or do other dangerous activities. Patients with these conditions before injection are at the highest risk. Swallowing problems may last for several months.

Side effects may include allergic reactions, neck and injection-site pain, fatigue and headache. Don't receive BOTOX® Cosmetic if there's a skin infection. Tell your doctor your medical history, muscle or nerve conditions, and medications, including botulinum toxins, as these may increase the risk of serious side effects.

80+

beauty awards

50+

US patents

Since 1999, SkinMedica® has been on the cutting edge of professional-grade skincare, with results backed by **extensive clinical studies**. Experts in dermatology and aesthetics trust SkinMedica® to provide their patients with **transformative, age-defying benefits**.

Our standards. *Our science.*

At SkinMedica®, we hold ourselves to the **highest level of scientific rigor**—striving toward new findings and **delivering products that revolutionize skincare**. We go above and beyond by clinically testing our products in their final formulation to prove they **rejuvenate skin** and deliver **radiant results**.

Our in-house laboratories allow us to work directly with clinical researchers throughout every step of product creation, including biology and bioactivity, formulations, and clinical efficacy.

The *growth factor* authority

SkinMedica® pioneered and patented a proprietary process of extracting stabilized and highly concentrated growth factors for use in topical skincare.

In 2001, we were the **first to release a topical growth factor cosmetic product** with TNS Recovery Complex®. We've continued to evolve by introducing products that build on our legacy of innovation with our most innovative growth factor product yet, TNS® Advanced+ Serum.

SkinMedica® is the **most studied, the most awarded, and the most respected name** in growth factor skincare and has been for over 20 years.†

*Excludes editorials, reviews, book chapters, abstracts, and conference proceedings.†

†Clinical studies and publications include the full portfolio of growth factor products, including SkinMedica® and Regenerica. From 2010 to 2022 for select SkinMedica® growth factor products only.

YOUR SKINMEDICA® METHOD

Your SkinMedica® Method is a science-based regimen you customize to your skin's needs. Create your own combination of products and use daily—you'll see healthy-looking, glowing skin.

SkinMedica® has solutions for different skin concerns. You'll learn more about our products and where they fit into your skincare routine.

Preps skin for daily regimen treatments

Groundbreaking science for transformed skin

Targets a wide variety of skin concerns

Delivers essential hydration the skin needs

Provides protection for all skin types

50 ALLÈ POINTS

AHA/BHA Exfoliating Cleanser

All Skin Types • Exfoliating
Texture • Brightening

Reveal younger-looking skin with an award-winning exfoliating cleanser that gently scrubs away dead skin. It **improves the appearance of skin tone and texture**, while effectively removing makeup, dirt, and oil.

Naturally derived alpha hydroxy acids and salicylic acid **exfoliate the skin to uncover younger-looking skin**.

Sunburn alert: This product contains an alpha hydroxy acid (AHA) that may increase your skin's sensitivity to the sun and particularly the possibility of sunburn. Use a sunscreen, wear protective clothing, and limit sun exposure while using this product and for a week afterward.

50 ALLÈ POINTS

Facial Cleanser

All Skin Types • Hydrating

Hydrate and refresh your skin with this everyday gel cleanser that's popular with customers of all skin types. It **removes environmental pollutants, excess oil, and makeup** to help **soothe and calm the skin**.

50 ALLÈ POINTS

HA^{5®} Hydra Collagen Hydrating Foaming Cleanser with Vegan Collagen

All Skin Types • Hyaluronic Acid
Skin Barrier Support

Unlock cloud-soft skin that sparkles with a cleanser powered by nourishing amino acids clinically proven to **gently clean skin and support the skin barrier**. Free from sulfate surfactants that can irritate the skin, this formula refreshes and maintains the skin's natural pH balance.

Boost skin's hydration immediately for a **dewy, hydrated glow**. Gentle enough for use at home or as a complement to in-office procedures.

For optimal results, use with the rest of the HA^{5®} Hydra Collagen Collection. See more on pages 26, 28, and 40.

CLINICAL STUDIES¹

30%

instant boost in skin's hydration levels when using the HA^{5®} Hydra Collagen Hydrating Foaming Cleanser and Hydrator with Vegan Collagen together (n = 17)

100%

of patients (n = 16) agreed the HA^{5®} Hydra Collagen Hydrating Foaming Cleanser with Vegan Collagen **effectively removes makeup/sunscreen, dirt, oil, and impurities**

100%

of patients (n = 26) agreed the HA^{5®} Hydra Collagen Hydrating Foaming Cleanser with Vegan Collagen **feels gentle and does not irritate the skin**

50 ALLÉ POINTS

Even & Correct Brightening Treatment Pads

All Skin Types • Exfoliating • Brightening
Visible Hyperpigmentation

See **visibly bright skin** and improve the appearance of your skin's tone and texture with daily use of these exfoliating brightening pads.

Key ingredients like LTN Complex™ and glycolic acid **help reduce the appearance of skin discoloration, dark spots, and fine lines** to support skin renewal. Prepare your skin to absorb other products in your skincare regimen with our hydroquinone-, retinol-, and alcohol-free formula.

Sunburn alert: This product contains an alpha hydroxy acid (AHA) that may increase your skin's sensitivity to the sun and particularly the possibility of sunburn. Use a sunscreen, wear protective clothing, and limit sun exposure while using this product and for a week afterward.

For optimal results, use with rest of the Even & Correct Collection on pages 20, 21, and 42.

CLINICAL STUDIES¹

Visible results in as little as 1 week

after using with other products in the Even & Correct Collection¹

50 ALLÉ POINTS

Pore Purifying Gel Cleanser

All Skin Types • Acne-Prone Skin
Antioxidant • Skin Barrier Support

Gently **cleanse and exfoliate** your skin with our non-irritating gel cleanser that **provides antioxidant protection** for longer-lasting skin clarity. Purify your pores while supporting the skin barrier and improving the appearance of skin texture.

Bakuchiol **reduces visible redness** and the appearance of **post-acne marks**, while salicylic acid helps **minimize the appearance of enlarged pores**.

For optimal results, use with the rest of the Acne Clarifying Collection. See more on pages 19 and 44.

CLINICAL STUDIES¹

Clinically proven to reduce acne and visible redness

associated with inflammation in just 24 hours after use*

95%

of patients said the products **did not dry out their skin** 24 hours after use (n = 21)[†]

90%

of patients said their **skin looked clearer in just 48 hours** (n = 20)[†]

*Results from a clinical study of patients using Acne Clarifying Treatment.

regimens

TNS® Advanced+ Serum & TNS Recovery Complex®

All Skin Types • Visible Skin Aging • Visible Sagging & Elasticity

Uncover vibrant, younger-looking skin with two revolutionary formulations that target the visible signs of aging at their source. Combine the **power of growth factors and exosomes** to reduce the appearance of sagging skin and fine lines, and improve skin tone.

Start with TNS Recovery Complex®, followed by TNS® Advanced+ Serum.

Unparalleled skin *rejuvenation*

Visible improvements in fine lines around the cheek and jaw¹

Baseline

2 weeks

Female, age 60, Fitzpatrick Skin Type II.
Unretouched photos taken in standard 1 lighting at baseline and after twice-daily use of TNS® Advanced+ Serum.
Individual results may vary.

Visible improvements in lines around the eyes and redness¹

Baseline

6 weeks

Female, age 59, Fitzpatrick Skin Type II.
Unretouched photos of subject taken in standard 1 lighting at baseline and after twice-daily use of TNS Recovery Complex®.
Individual results may vary.

HA⁵® Hydra Collagen Collection

All Skin Types • Skin Barrier Support • Hyaluronic Acid
Made with Vegan Collagen

Get hydration from every step of your skincare routine from our first-of-its-kind skincare collection. Go beyond superficial hydration for visibly **dewy, refreshed, younger-looking skin**. It has 3 unique products that penetrate deeper into the skin's surface to **restore and replenish hydration** for a more **resilient skin barrier**.

Start with the Cleanser, followed by the Hydrator, and then use the Moisturizer to lock in hydration.

CLINICAL STUDIES¹

Using the entire Collection led to visible improvements in hydration:

3x
improvement in
dewy, hydrated skin*

100%
of people agreed that their skin
was **hydrated, had a radiant
glow, and did not break out**
after using the HA⁵® Hydra
Collagen Collection†

80%
visible improvement in
overall dry skin*

90%
of people agreed that
the HA⁵® Hydra Collagen
Collection **made their
natural skin look dewy***

*When using the Collection after 8 weeks of use compared to week 1.

†At week 4 (n = 10).

*At week 8 (n = 10).

Dive into new *depths of hydration*

Visibly radiant, dewy skin¹

Baseline

Week 2

Week 8

Female, age 31, Fitzpatrick Skin Type III.

Unretouched photos of subject taken in cross-polarized lighting at baseline, at week 2, and week 8 after twice-daily use of the HA⁵® Hydra Collagen Collection (no product on skin).

Individual results may vary.

Hydration you can see¹

Baseline

Week 2

Female, age 45, Fitzpatrick Skin Type III.

Unretouched VIVACAM® dermoscopy photos of subject at baseline and week 2 after twice-daily use of the HA⁵® Hydra Collagen Collection (no product on skin).

Individual results may vary.

Even & Correct Collection

All Skin Types • Visible Hyperpigmentation • Brightening

Get dramatic visible improvements for even the most stubborn skin discoloration. Watch the appearance of dark spots fade away for brighter, smoother skin. Each product in the regimen is hydroquinone-free, so you can use it year-round, with **results in as little as 1 week.**

Use the Brightening Treatment Pads first, followed by the Advanced Brightening Treatment, then the Dark Spot Cream.

CLINICAL STUDIES¹

Patients saw **visibly brighter and more even skin** in as little as 1 week with the Even & Correct Collection

Patients **preferred Advanced Brightening Treatment** and said it **irritated their skin less** than the leading prescription melasma treatment

84%

of patients said Advanced Brightening Treatment **made their skin brighter** and **improved the appearance of their skin**

33%

visible decrease in dark spot intensity after 12 weeks of using Even & Correct Dark Spot Cream

Uncover a brighter, *more even tone*

Visible improvement in dark spots¹

Baseline

Week 1

Female, age 69, Fitzpatrick Skin Type III.

Unretouched photos of subject taken in standard 1 lighting at baseline and week 1 after use of Even & Correct Advanced Brightening Treatment, Even & Correct Dark Spot Cream, and Even & Correct Brightening Treatment Pads.

Individual results may vary.

Visibly brighter, more even skin tone¹

Baseline

Week 2

Female, age 51, Fitzpatrick Skin Type I.

Unretouched photos of subject taken in standard 1 lighting at baseline and week 2 after use of Even & Correct Advanced Brightening Treatment, Even & Correct Dark Spot Cream, and Even & Correct Brightening Treatment Pads.

Individual results may vary.

Acne Clarifying Collection

All Skin Types • Acne-Prone Skin • Skin Barrier Support

Break the cycle of blemishes by gently cleansing and preventing future breakouts. Let gentle exfoliation break down dead skin buildup to **reveal clearer, brighter skin**. When using Acne Clarifying Treatment, you can see less visible acne marks **in as little as 48 hours**.

Start with Pore Purifying Gel Cleanser, followed by Acne Clarifying Treatment.

CLINICAL STUDIES¹

Clinically proven to **reduce acne and visible redness** associated with inflammation **in just 24 hours** after use.*

95%
of patients said the products **did not dry out their skin** 24 hours after use (n = 21)[†]

In as early as 48 hours, clinically proven to fade post-acne marks.*

90%
of patients said their **skin looked clearer in just 48 hours** (n = 20)[†]

^{*}Results from a clinical study of patients using Acne Clarifying Treatment.

[†]Results from a clinical study of patients using Pore Purifying Gel Cleanser and Acne Clarifying Treatment.

A breakthrough for breakouts

Results after 48 hours¹

Baseline

48 Hours

Male, age 31, Fitzpatrick Skin Type III.

Unretouched photos of subject taken in standard 1 lighting at baseline and 48 hours after twice-daily use of Pore Purifying Gel Cleanser and Acne Clarifying Treatment. **Individual results may vary.**

Visible improvements in skin texture and clarity¹

Baseline

Week 12

Female, age 28, Fitzpatrick Skin Type VI.

Unretouched photos of subject taken in standard 1 lighting at baseline and week 12 after twice-daily use of Pore Purifying Gel Cleanser and Acne Clarifying Treatment. **Individual results may vary.**

Professional Peels

Uncover luminous skin with 3 SkinMedica® peels that accelerate skin exfoliation to **diminish the appearance of fine lines, wrinkles, and roughness** for an even and renewed complexion.

You will see progressively dramatic results with each additional treatment.

Ask your skincare professional which peel is best for you.

Illuminize Peel®

⚠️ **Mild Skin Imperfections** ○ **No to Minimal Downtime**

- Break into the world of peels with a mild formula with **minimal downtime and no peeling**. Antioxidants and natural extracts gently exfoliate your skin for **vibrant, radiant-looking results**
- Appropriate for mild skin imperfections as determined by a physician

Baseline

Week 1: 1 treatment

Female, age 43. Fitzpatrick Skin Type IV. Unretouched photos taken with parallel-polarized lighting of subject at baseline and immediately after 1 treatment of Dermaplaning, DiamondGlow® with Even & Correct Advanced Brightening Pro-Infusion Serum, and Illuminize Peel®. **Individual results may vary.**

Vitalize Peel®

⚠️ **Mild to Moderate Skin Imperfections** ○○ **Minimal Downtime**

- **Smooth away** mild to moderate **visible fine lines, wrinkles, acne scarring, and skin tone unevenness** caused by pigmentation issues
- See **noticeable results after just 1 peel**, with compelling results after 3 to 6 peels
- Appropriate for mild to moderate skin imperfections as determined by a physician

Baseline

Week 4: 1 treatment

Week 8: 2 treatments

Female, age 24. Fitzpatrick Skin Type V. Unretouched photos taken with parallel-polarized lighting of subject at baseline and after 1 and then 2 treatments of DiamondGlow® with Even & Correct Advanced Brightening Pro-Infusion Serum and Vitalize Peel®. **Individual results may vary.**

Rejuvenize Peel™

⚠️ **Moderate to Severe Skin Imperfections** ○○○ **Some Downtime**

- **Dramatically smooth the appearance of fine lines, wrinkles, and skin tone unevenness** from acne scarring with our most potent formula
- See **noticeable results after just 1 peel**; with compelling results after 3 to 6 peels
- Appropriate for moderate to severe skin imperfections as determined by a physician

Baseline

After 3 peels

Female, age 65. Fitzpatrick Skin Type I. Unretouched photos of subject before and after 3 Rejuvenize Peel™ treatments. **Individual results may vary.**

DIAMOND GLOW®

Instant glow. Lasting results.

DiamondGlow® is the clinically proven dermabrasion treatment that simultaneously exfoliates, extracts, and infuses SkinMedica® Pro-Infusion Serums onto the skin. This treatment works exclusively with SkinMedica®.

Baseline

After 5 Treatments

Female, age 65, Fitzpatrick Skin Type II. Unretouched photos of subject taken with parallel-polarized lighting at baseline and after 5 DiamondGlow® treatments with TNS® Advanced+ Pro-Infusion Serum administered 2 weeks apart and a curated SkinMedica® skincare regimen. **Individual results may vary.**

From treatment to *take-home*

Boost your skincare results with DiamondGlow® treatments that are clinically studied to work together to give you your best results.

THE OFFICIAL LOYALTY PROGRAM FOR SKINMEDICA®

Get treatments, earn points,
and enjoy savings with Allē.

With Allē, you can earn points on over 50 products and treatments at your provider's office, including SkinMedica®, DiamondGlow®, injectables, and more.

Every 100 points can be redeemed for \$10 toward any qualifying product or treatment. Use points as you go, or rack them up for bigger savings later. Just let your provider know when you're ready to redeem.

As an Allē Member, you'll have access to exclusive opportunities to save throughout the year. From points to promotional events, Allē is your go-to source for the best rewards.

Don't miss out on everything Allē has to offer. Join today at [Alle.com](https://alle.com) or download the app.

SKINMEDICA®

DiamondGlow® Uses

The DiamondGlow® device is a general dermabrasion device that gently removes the top layer of skin and delivers topical cosmetic serums onto the skin.

DiamondGlow® Important Safety Information

The DiamondGlow® treatment is not for everyone. You should not have a DiamondGlow® treatment if you have compromised skin quality. Tell your provider if you are pregnant or lactating, or if you have any medical conditions, including allergies, and if you are using topical medications on the area to be treated.

Typical side effects include a scratchy, stinging sensation during the treatment and temporary tightness, redness or slight swelling after the treatment. Rare serious side effects may also occur and include severe skin irritation and allergic reactions.

SkinMedica® Pro-Infusion Serums Disclaimer

SkinMedica® Pro-Infusion Serums are intended to meet the FDA's definition of a cosmetic product, an article applied to the human body to cleanse, beautify, promote attractiveness, and alter appearances. These products are not intended to be drugs that diagnose, treat, cure, or prevent any disease or condition. These products have not been approved by the FDA and the statements have not been evaluated by the FDA.

Please talk to your provider for additional information.

SkinMedica® Important Information

Peels must be administered by a licensed medical professional (a physician, aesthetician or a nurse under a physician's supervision).

CAUTION: Do not use Even & Correct Dark Spot Cream, Retinol Complex, Illuminize Peel®, Vitalize Peel®, or Rejuvenize Peel™ if you are pregnant, lactating, or planning to become pregnant. Mild redness, peeling, and irritation are expected when using retinol products. Use a sunscreen and limit sun exposure while using retinol products and for a week following discontinuation.

Sunburn alert: AHA/BHA Exfoliating Cleanser, AHA/BHA Cream, Even & Correct Brightening Treatment Pads, and Even & Correct Dark Spot Cream contain an alpha-hydroxy acid (AHA) that may increase your skin's sensitivity to sunburn. Use sunscreen and limit sun exposure while using this product and for a week following discontinuation.

Use a sunscreen with an SPF of 30 or higher during any sun exposure when using Even & Correct Advanced Brightening Treatment.

Most SkinMedica® products are intended to meet the FDA's definition of a cosmetic product, an article applied to the human body to cleanse, beautify, promote attractiveness, and alter appearances. These SkinMedica® products are not intended to be drug products that diagnose, treat, cure, or prevent any disease or condition. These products have not been approved by the FDA, and the statements here have not been evaluated by the FDA.

SkinMedica® Total Defense + Repair Broad Spectrum SPF 34 Sunscreen and Essential Defense Broad Spectrum Sunscreens (Everyday Clear SPF 47, Mineral Shield Tinted SPF 32, and Mineral Shield SPF 35) are over-the-counter drug products that are formulated and marketed pursuant to the FDA's governing regulations set forth at 21 CFR Part 352.

SkinMedica® Acne Clarifying Treatment is an over-the-counter drug product which is formulated and marketed pursuant to FDA's governing regulations set forth at 21 CFR Part 333 Subpart D.
